long-term EVS in Szczecin, Poland

mid August 2017 – end of June 2018

Cześć and welcome Volunteer

POLITES Association is organizing a long-term EVS project that will take place in Szczecin, Poland. We would like to invite 18 volunteers from 12 different countries.

The project starts in the second half of August 2017 and ends in June 2018. On behalf of the Association we would like to thank you for your interest. The main aim of the project is to develop key competences and gain experience by being an EVS volunteer. Taking part in our project means working with kids, youth and local community. You will have a great chance to present yourself, your country and culture. First two

weeks is a preparation period. You will participate in different workshops and activities prepared by members of our Association. It is to help you adjust to your new home and provide you knowledge needed to work in the chosen area - kindergarten, middle school or NGO office. In September you will start your main activities. Volunteers who will be interested in taking up some extra voluntary actions, will have

an opportunity to join activities organized by Regional Volunteer Centre. On our Facebook pages you can see the pictures from our Erasmus+ activities. During your stay you will have the opportunity to meet people that participate in the different projects, such as short-term EVS "MULTI KULTI" or our Training Courses. Join us to explore new possibilities, gain experience and have lots of joy!

See you soon in Szczecin!
Ewelina, Ewelina, Ania and Kuba

ABOUT US

We are a group of people with different interests, points of view and ways of life. But there is one thing we have in common - being active. Every day we are trying to convince people, young and old, that after work or school, there is a lot of interesting things to do. Our motto is: The active are living more attractive!

We run several programmes like Regional Voluntary Service, Sektor 3 - NGO Support Centre, Big Brothers Big Sisters. We are active in international level since 2007 as a sending, hosting and coordinating EVS organization and hosting for students and professionals from countries of Eastern Europe to Poland.

POLAND

- 1/ The name "Poland" originates from the name of the tribe "Polanie" which means "people living in open fields".
- 2/ The 1st floor is regarded as floor "0" so you press "1" when you want to go to the 2nd floor in the elevator.
- 3/ The biggest section of any grocery store in Poland is the candy section.
- 4/ Poland is the 9th largest country in Europe.
- 5/ „Burek” is the most popular name for a dog in Poland.
- 6/ Watching „Home Alone” is a Christmas tradition.

FIRST IMPORTANT INFORMATION

apply for this EVS chance as soon as possible. Make a decision now and be first - there are many candidates interested in EVS.

WHAT IS THE PROJECT ABOUT?

Our long term EVS project is concentrated on developing 8 key competences while doing various volunteer activities like working with kids, supporting the work of Regional Volunteer Centre and local nongovernmental organizations.

The aim of the project is, for you, to gain and strengthen mentioned competences and to promote voluntary service as an interesting way of spending free time. During this time you will be presenting your culture, country, ideas and creative approach in organizing activities for kids, youth and local community. You will have a chance to participate in many workshops that will help you develop the skills in working with kids, will show you the basics of management, Social Media, idea of being a volunteer. Those workshops will prepare you to work in the chosen area, which could be kindergarten, middle school or NGO office – depending on the specific project.

activity: kindergarten

The volunteer supports the staff in taking care of the kids/ teaching basic skills such as personal hygiene and social skills, teaches basics of the native language, organizes and leads activities designed to promote physical, mental, and social development such as games, arts and crafts, music, and storytelling.

activity: middle school

The volunteer organizes classes for students about language/ culture and traditions of various countries in the UE, supports pupils in learning foreign languages, carries out various activities about the EU, helps in running a school radio/ broadcasts the music/ trivia/ cuisine and culture of a given country, activates pupils in sport.

activity: NGO office

The volunteer supports Regional Volunteering Centre and its' programmes Big Brother Big Sister and Emergency Teaching, administrates our Social Media, prepares posters/ flyers, promotes the idea of EVS, writes reports, organizes courses of native language/ workshops (ex. Human rights)/ cultural events.

151

kilometers are from Szczecin to Berlin so that is why we visit Berlin more often than our capital city - Warsaw

zł

Złoty (zł; PLN) is our national currency. We do not use Euro however you can pay with them in some shops. Average rate of exchange: 1 EUR= 4 PLN

DID YOU KNOW ...

that when you are in Szczecin, with a polish mobile number, you can register for a 20min free use of bicycles or that our Cementary is the 3rd largest in Europe (163 ha) or that the first opened cinema in the whole world is in Szczecin (and the cinema is still open!)? Did you? :)

WILL I GET ANY FINANCIAL SUPPORT FOR MY STAY IN POLAND? WHERE WILL I LIVE DURING MY STAY?

Every volunteer who is taking part in the long term EVS in Szczecin is supported with pocket and food allowance money (not less than 180 Euro). It means that for your stay you will receive the money for your expenses that you can use to buy the food for yourself, travel around, buy new clothes or visit an art gallery. You will be accommodated in rented flat with the access to kitchen and bathroom. All the kitchen appliances like forks, spoons, plates, pots etc. will be there also. Bills are paid by POLITES Association.

CAN I GO FOR ANOTHER EVS AFTER THIS ONE?

There is only one chance in your entire lifetime to take part in the long term EVS. Remember, though, that you can apply for seminars, training courses and other projects within Erasmus + programme. There are many other possibilities to choose from. Completing your EVS doesn't mean that your Erasmus + adventure is over.

WILL I HAVE ANY HOLIDAY DURING MY EVS?

Sure – you cannot work all the time. Being on EVS also means a chance of visiting many places or travelling around. Each month there are 2 days for you to use as days off. You can use them in the beginning of the month or in the end – your choice but you need to remember about one thing – if you do not use them, they will not be cumulated. For a longer break you can use the holiday time that you receive for the whole project. Planning your days off or holiday goes hand in hand with the working schedule of your hosting organization.

POLITES Association's mission is to promote the idea of the civil society through the education and voluntary service. The Association came into existence in 2002. Its name derives from Greek word "polites", which stands for 'the citizen'.

WHAT IF I WILL BE SICK OR NEED MEDICAL CARE?

We wish you to be healthy all year long! However, in case that you will be sick, have a toothache or any other ache – your CIGNA insurance covers the treatment. Every EVS volunteer is obligated to sign up for the CIGNA insurance. It should be

done the latest 2 weeks before the project starts. Your Sending Organisation should support you with the procedure. What is important: read the CIGNA guide thoroughly to know if there are any cases when your medical care is not covered.

HOW THE TRIP TO POLAND SHOULD BE ARRANGED? HOW MUCH DOES IT COST?

Do not fear! There are few ways of how it could be done. First of all, you already know that the city of your project is Szczecin, Poland. You can start arranging the trip by yourself. If you face difficulties and need support – we are here for you! You can send us a message and we will do our best to find the best travel option. Also, do not forget about your Sending Organization. Who knows, maybe they know a cheap transport company that goes directly from your home city?

The cost depends on the available possibilities and your own choice. The exact amount of money that will be given to you will be known as soon as you see the Activity Agreement (a document about your project that you need to sign before the project starts). We will reimburse money at the end of your project.

WHAT I SHOULD TAKE WITH ME IF I AM SELECTED FOR THE PROJECT?

First of all, take all kinds of positive emotions! Your new journey will start soon. There are few material things that you will need, though. Bring: all the personal hygiene essentials, towels, bedsheets, 2 pictures (size of your ID/passport), documents, clothes and shoes for every season, comfortable clothes for sporty activities.

HOW WILL I MOVE AROUND THE CITY? HOW WILL I GET TO MY WORKPLACE?

As your Coordinating Organization we will buy a local transportation ticket for the time of your stay so you can reach your working place without any problems.

IS THERE ANY CHANCE TO STAY IN POLAND AFTER MY EVS?

Of course, there is! We would be pleased to know that Erasmus + EVS works its magic and taking part in the project gives the possibility to find a job, love or any other thing that would make you stay in Poland. If you are willing to do it - you can!

WHAT WILL I GET FROM EVS?

Besides a chance of meeting new people, living in a new place, doing some new things in your life - everything you need to become a team player and be more self-confident. EVS is not only about the voluntary tasks. It is also about spending some time abroad to get to know yourself better. After the EVS is finished you will receive the official paper on your EVS - the YOUTHPASS Certificate that will confirm your personal development and your stay in Poland. But what you will learn here - stays forever!

SECOND IMPORTANT INFORMATION

if you are an EU Citizen do remember to take the European Health Insurance Card (EHIC) with you!

SHOULD I APPLY IF MY EDUCATION IS DIFFERENT THAN PROJECT SUBJECT?

It's not only that you can – you should! It could be a great chance to gain new knowledge and develop skills. You will have a chance to try something new and we will help with that. You can use your personal skills and talents anywhere—it is all about the happy attitude and creative approach.

HOW WILL MY WORKING DAY LOOK LIKE?

It all depends where you will be a volunteer. Places like kindergarden or school are much more rigid than our office. All the volunteers work the max of 30 hrs per week and we are trying to organize the work time from 9.00 till 15.00 in all places. Sometimes it may happen that the working time will be different but the information about it will come early enough to plan it. A normal working day of a volunteer is full of many all-the-time-changing activities (mainly in the kindergarden). You will help the kids or youth in their everyday actions, you can organize your own activities with them, do some sport things, build LEGO or help in doing

homework. In the office – you will have a chance to visit our partners, organize an event or prepare some information for our followers. Working day during EVS is dynamic.

DO I NEED VISA TO TRAVEL TO POLAND? SHOULD I TAKE ANY DOCUMENTS WITH ME?

It depends. If you are the citizen of the European Union country then there is no need for visa. If you live in the non-EU country then you will need to contact Polish embassy and receive visa before coming to Poland. We will prepare the official invitation for you. Taking it to the embassy increases a chance of receiving visa without any problems. Keep original documentation (all the receipts) - in case that you paid for your visa.

CAN I WORK DURING MY EVS AND EARN MONEY?

That would be too good to be true. EVS volunteers are not allowed to work during their project. Also, they are not allowed to take part in other Erasmus + projects during their EVS. If you want to work or take part in something additional – it has to be after your EVS is completed.

Potato is not a vegetable - it's a way of Polish life. The potato is a starter, dinner, supper or a soup part. Or the whole soup - itself. Potato is precious!

Szczecin's weather: on average, the warmest month is July; on average, the coolest month is January; June is the wettest month; October is the driest month.

HOW TO APPLY ?

FILL IN THE APPLICATION FORM THAT YOU CAN FIND [HERE \(click\)](#)

You will be informed about next steps. GOOD LUCK!
